

It Feels Like Fire

Vs.1 (soloists)

One Sunday morning, the praise was hot, I felt a presence that I couldn't describe
It wasn't my emotions, It wasn't my fears, but something strange started burning inside
I asked my neighbor what was happening to me Could it be that I'm going insane
She said relax and receive the gift And then she began to sing

Chorus

It feels like FIRE ! Fire! Fire from the Holy ghost

It feels like FIRE ! Fire! Fire from the Holy ghost

It's in my hands It's in my feet

It's in my tongue – ga It's in my soul (**Cut**)

Vs.2 (soloists)

I found it hard to stand still and listen, It was on me from my head to my feet
Love, peace and joy all bundled up inside Releasing so much energy
I'm talking 'bout a spiritual high that makes you wanna' float above the sky (- high)
I started dancin', I started to sing in a language unknown to me

It makes you wanna' dance , It makes you wanna' shout, walk right, talk right, live right
